

PRESS RELEASE

A Gold Green Globe Status for The Samaya Seminyak

Seminyak, October 16th 2017

The Samaya Seminyak proudly announced that they have met the requirements of the Green Globe Standard 1.7 which made their Green Globe certificate extended. This year's certification is quite special for The Samaya Seminyak since they have been awarded Gold status for continuous certification over 5 years. Besides keeps doing all Green Programs they have in previous years, this year The Samaya Seminyak has better program in managing all waste. The Samaya Seminyak's Green team leader; Mr. Eka Dilaga; said "in first quarter of this year, we have special MOU with EcoBali to work together in managing any kind of waste from our hotel". EcoBali was established in 2006 in response to the urgency of waste management problems in the island of Bali and their focus is to maximize recycling, reduce quantity of waste to landfill and promote composting.(smy/sh)
