

## The Samaya Seminyak's One and Four Anniversary

Bali, October 6<sup>th</sup> 2015

“Together We Care” is the term we chose as the theme for celebrating our One and Four Anniversary. Our One and Four anniversary celebration was commenced by visiting an orphanage which has *about 35 children from kindergarten to junior high school range age* named Destawan in Singaraja regency. On 8<sup>th</sup> of September 2015 morning, there were about 15 of The Samaya Seminyak team that went there to deliver their daily needs; for instance rice, instant noodles, toiletries, cooking oil; stationeries, and cash money. Some games such as guessing the song and simple puzzle quizzes were also held and our visit was ended with having lunch together while watching a movie.

Secondly an outing to Bedugul botanical gardens was chosen to be the part of our anniversary celebration. It was divided into 2 sessions, on 10<sup>th</sup> and 18<sup>th</sup> of September 2015 in order to ensure all staff and management were able to participate. We were divided into teams to play some games like break the code, blind card, caterpillar, crazy marble and magic carpet, this was to improve our team building.

A week after the 2<sup>nd</sup> session of the outing, a blood donation session was held at the lobby of our Royal Courtyard villa area and it was assisted by the team from Red Cross Indonesia. There were about 46 blood bags that were successfully collected during the blood donation. The Red Cross team also gave us knowledge about how important, useful that the blood donation are for others and our selves.

The highlight of our One and Four Anniversary was held on 27<sup>th</sup> of September 2015. Beginning with the birthday celebration of the staff whose birthday in September and continuing with the most wanted door prize draw and last but not least was having afternoon

snack while watching a documentary video of our anniversary activities where some funny scenes were added and brought us to laugh.

This One and Four anniversary celebration was so memorable. We wish to give more happiness and get more happiness for our next year anniversary. (smy/sh)
